## General information

### PAGE NUMBERS

Next to each product you will find a page number.

This number refers to the product page in our Commercial Product Guide 2018.

### OFFICE HOURS

Monday to Friday 8.30am to 5.00pm.

### PRICES

Prices are exclusive of VAT and are subject to change without notice. All prices displayed are recognised as list.

### TERMS

A copy of Intatec's terms and conditions is available on our website [www.intatec.co.uk](http://www.intatec.co.uk) or by request.

### PROPERTY OF GOODS

Until full payment is received, all goods supplied remain the property of Intatec Limited.

### ORDERING

Carriage paid if order value over £100.

Small order charge of £7.50 applied to all orders under £100.

### DELIVERY

Carriage paid 1-3 day service, UK mainland only. Please inquire at time of ordering.

### WARRANTY

Unless stated the guarantee period for all commercial collection products published in this brochure is 1 year and is limited to product replacement only.

For a full copy of Intatec's terms and conditions, please refer to our website [www.intatec.co.uk](http://www.intatec.co.uk)

**safety, quality and style**  
**inspiring confidence**

Intatec offers a range of superbly designed products which have been designed and developed to bring style and more importantly safety to both bath and shower room.

The introduction of legislation relating to the compulsory fitting of anti-scald thermostatically controlled products will mean the TMV2 and TMV3 approved Intatec range will be essential for installation in domestic, care, hospital, health, leisure and institutional applications.

Our shower and bath/shower mixers are guaranteed for five years and commercial application products guaranteed for one year from the date of purchase\* when fitted in accordance with installation instructions and best working practice (including local water bylaws).

Intatec Limited has been assessed by SGS and has been granted approval under the terms of the scheme for Quality Management Systems to ISO 14001:2015, ISO 9001:2015 and OHSAS 18001.

\*Replacement products or replacement parts are available in the unlikely event of a manufacturing fault occurring. Liability does not cover consequential loss or damage.

**Acura shower range**

CODE	PAGE	DESCRIPTION	PRICE
90033CP	5	Acura exposed thermostatic sequential control shower valve with top and bottom outlet	£429.52
