For a full copy of Intatec's terms and conditions, please visit our website www.intatec.co.uk

Intatec offers a range of superbly designed products which have been designed and developed to bring style and more importantly safety to both bath and shower room.

The introduction of legislation relating to the compulsory fitting of anti-scald thermostatically controlled products will mean the TMV2 and TMV3 approved Intatec range will be essential for installation in domestic, care, hospital, health, leisure and institutional applications.

Our shower and bath/shower mixers are guaranteed for five years from the date of purchase* when fitted in accordance with installation instructions and best working practice (including local water bylaws).

Intatec Limited has been assessed by SGS and has been granted approval under the terms of the scheme for Quality Management Systems to ISO 14001:2015, ISO 9001:2015 and OHSAS 18001.

*Replacement products or replacement parts are available in the unlikely event of a manufacturing fault occurring. Liability does not cover consequential loss or damage.
