

## Product

**DCV0123.1 - 15mm DZR Double Check Valve with Isolating Valve (1 Nut & Olive)**

**DCV0123 - 15mm DZR Double Check Valve with Isolating Valve**

**FLDCV15 - 15mm DZR Double Check Valve with Isolating Valve & Port**

## Technical Specification

**Max Inlet Pressure (static):**

**10 Bar**

**Temperature Range:**

**0 - 90°C**

**Inlet Connections:**

**15mm Compression**

## Additional Information

**WRAS approved (DCV0123 & DCV0123.1 only)**

**DCV0123.1 is supplied with a single nut and olive, making it ideal for filling loop installations**

**Controls the direction of water flow through the system**

**Prevents cross contamination by stopping the back flow of water in a system**
