

Schematic Hiper II HIU

1		Drain valve / air venting
2		Strainer with drain valve
3		Pocket for heat meter sensor
4		Isolation Valves Red - Flow Blue - Return
5		Diverter Valve
6		Pressure independent control valve (PICV)

7		CH Circulating Pump
8		Automatic air vent
9		Safety pressure relief valve
10		Low pressure switch
11		Plate heat exchanger (PHE)
12		Expansion Vessel

13		Pressure gauge
14		Shock arrestor
15		Flushing bypass accessory
16		Flow meter switch
17		Temperature sensor
18		Heat meter position DN15 110mm pipe
