

### i ball GAS BALL VALVES

#### Introduction

Intas range of gas ball valves are the installers choice for safe, industry compliant gas installations. Inta gas ball valves have been independently certified for their compliance to BS EN 331:1998+A1:2010, which includes an additional high temperature test to protect installations in the event of fire.

- Meets the requirements of BS EN 331:1998+A1:2010
- Independently assessed and certified
- Available in lever and butterfly handles
- Sizes from 15mm - 54mm and 1/4" - 2"
- Temperature rating for gas application -20°C - 60°C
- Temperature rating for non-gas application -20°C - 110°C
- Pressure rating PN16 compression PN25 female

#### Product Range

15mm gas lever ball valve	IN89ALC15
22mm gas lever ball valve	IN89ALC22
28mm gas lever ball valve	IN89ALC28
35mm gas lever ball valve	IN89ALC35
42mm gas lever ball valve	IN89ALC42
54mm gas lever ball valve	IN89ALC54

15mm gas butterfly ball valve	IN89ATC15
22mm gas butterfly ball valve	IN89ATC22
28mm gas butterfly ball valve	IN89ATC28

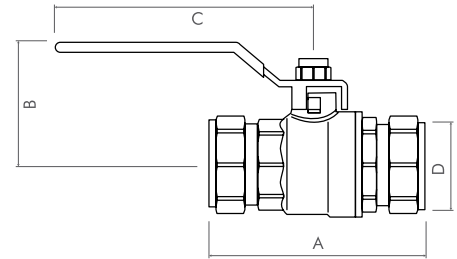

1/4" female gas lever ball valve	IN90ALP010
1/2" female gas lever ball valve	IN90ALP015
3/4" female gas lever ball valve	IN90ALP020
1" female gas lever ball valve	IN90ALP025
1 1/4" female gas lever ball valve	IN90ALP032
1 1/2" female gas lever ball valve	IN90ALP040
2" female gas lever ball valve	IN90ALP050

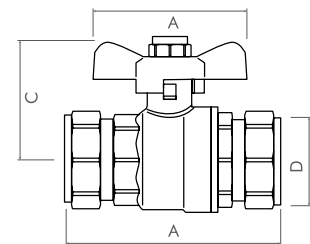

1/2" female gas butterfly ball valve	IN90ATP015
3/4" female gas butterfly ball valve	IN90ATP020
1" female gas butterfly ball valve	IN90ATP025
