

## Product

**NC230CP - Non Concussive Basin Mounted Tap with Adjustable Temperature Control**

## Technical Specification

<b>Max Inlet Pressure (static):</b>	<b>6 Bar</b>
<b>Min Inlet Pressure (dynamic):</b>	<b>1 Bar</b>
<b>Max Inlet Temperature:</b>	<b>65°C</b>
<b>Inlet Connections:</b>	<b>M10 x G1/2" Flexible Tails</b>
<b>Max Basin Thickness:</b>	<b>45mm</b>
<b>Timed Flow At 1 Bar</b>	<b>15 ± 3 seconds</b>

### Fixing Assembly

## Additional Information

**Non concussive operation**

**Adjustable temperature control**

**Operating pressure range of 1 to 6 bar (dynamic)**

**Flow time = 15 seconds ±3 seconds at 1 Bar (dynamic)**

**Easy to operate handle**

**WRAS approved**
